Subject: Mona Vale Hospital 'Fit For Purpose Report' GIPA

Attention: Dr. Robert Gordon Stokes,
Member for Pittwater

Dear Rob,

Attached is a copy of the GIPA reply from the Ministry of Health.

<https://pittwateralliance.weebly.com/mona-vale-hospital---fit-for-purpose-report-gipa.html>

A copy was left for you at your office two weeks ago but no acknowledgement or reply has been received.

This GIPA response states that the Department does not hold any further reports, besides the ARUP report, regarding the condition of the main building of Mona Vale Hospital.

This contradicts your public statements that reports exist requiring the demolition of Mona Vale Hospital Main Building.

Could you please explain?

Yours Faithfully

Phil Walker.
