Subject: Rob Stokes Reply Letter 20 April 2018 Mona Vale Hospital

Attention. Dr. Robert Gordon Stokes
MP for Pittwater

Re: Demolition of Main Building Mona Vale Hospital

Dear Rob,

Thank you for your reply dated 20 April 2018 on this matter.

I understand how busy you must be, but your reply does not explain, as requested, the conflict between your public statements regarding the existence of building reports requiring the demolition of Mona Vale Hospital "Main Building" and the recent GIPA information received and provided to you.

A previous GIPA for the 2013 reports on Mona Vale Hospital (referenced in the one page hand out at the video interview with Dr Susan Daly) was answered as 'cabinet in confidence'.

Maybe there are reports there, which could be released?

I look forward to your reply.

Yours faithfully

Phil Walker
