

COMMUNITY FORUM A VISION FOR PITTWATER

STOP overdevelopment
to protect our environment and heritage

Sunday July 24, 2022 - Mona Vale Memorial Hall, 1 Park Street, Mona Vale

3:00pm - 5.30pm

Speakers:

Neil Evers - Welcome to country

Professor Craig Burton - Architect and landscape heritage architect. Author of the Barrenjoey Peninsular and Pittwater Heritage Study 1989.

Angus Gordon OAM - Coastal and environmental engineer. Former General Manager of Pittwater Council.

Professor Richard Leplastrier OA - Practising architect who for decades has “lived on the wild offshore side of Pittwater” and is always keen to exchange ideas and concerns with the community.

Sasha and Nic Lesiuk - Award winning next generation architects, brother and sister born and bred in Pittwater. Planning for the future.

Miranda Korzy - Green’s Pittwater Councillor, long-term resident and community activist.

Anna Maria Monticelli - Forum Moderator - Award winning actress, screenwriter and producer. Pittwater resident for 41 years.

All welcome - free event
