Subject: Update on the Save Mona vale Hospital campaign

Dear supporter

Thank you for your support of the campaign to stop the closure of the emergency department at our Mona Vale Hospital. Pittwateronlinenews has a summary of the events at the Big Picnic held on Sunday 16 September.

<http://www.pittwateronlinenews.com/Upgrade-Not-Demolition-Needed-Mona-Vale-Hospital.php>

The colour flyer has now been printed (see attached). We thank those of you who donated towards the cost of printing the flyer.

Members of the Save Mona Vale Hospital Committee have been busy coordinating areas for letter boxing and delivering the flyers to relevant walkers. If you volunteered to letter box but have not yet been contacted, it may be that your area has already been allocated to another walker. We have been overwhelmed by people's generosity in donating their time.

Our work and your work is however not yet done!

The Giant Rally on Sunday 14 October is the next event to show the State Government that our local hospital and emergency department must remain open for the health and safety of the local community.

It is essential that we have as many supporters as possible at the rally and so we hope you will join us and encourage your friends and family to come too. There will be speakers followed by a march to the hospital.

Sunday 14 October 2018

11.00 am

Mona Vale Village Park

If you are a member of a sporting club or community association, please encourage them to attend as a group. This will show the Government that it is not just a few individuals concerned about the loss of our hospital and emergency department but the community at large.

The **Giant Rally must be just that**, supported by large numbers of people!

Please forward this email to all your family, friends and associations.

Sue Martin
Secretary
Save Mona Vale Hospital Committee
